# A STATEMENT OF INTENT

The new Type R says a lot about us.

It reflects our unique thinking, a desire for  
constant re-invention, re-evaluation, and  
relentless pursuit of better.

Our passion for creating the perfect sports machine  
for the road and the track is imprinted into its DNA  
and drawn into every curve of its body.

It's a car that has been built for the sheer thrill of  
driving, a car built with soul, a car that speaks to  
you the way few others can.

But, ultimately, actions speak louder  
than words.

Model shown throughout is a Civic Type R GT in Championship White.  
Images are shown for illustration purposes only and show a left hand  
drive vehicle. In the UK, the Civic Type R will be a right hand drive vehicle.

## FEEL CONNECTED

---

The Type R has been designed to be just as dramatic on the inside as it is on the outside. Controls are ergonomic and intuitive, giving you a complete feeling of connectivity.

The interior may be unmistakably sporty, but it's also undeniably refined, with unique Type R detailing and class leading space.

## DYNAMIC PERSONALITY

---

The all new suspension system and improved lighter chassis maximise the power transfer and stability of the Type R's potent 320PS, 2.0 VTEC TURBO engine.

New variable driving modes also give the car unrivalled usability with a Comfort, Sport and more dynamic +R function.

ACTIONS SPEAK  
LOUDER THAN  
WORDS
