

The Power to Surprise

The All-New Kia

SORENTO range

There's more to Kia than you may think...

Established in 1946, Kia is Korea's oldest car maker. Kia Motors Corporation is one of the top 5 automotive groups in the world. In the Interbrand ranking 2014, Kia was ranked 74th out of the World's top 100 brands. Kia have a network of over 180 dealerships in the UK. In 2013 we reached a significant milestone having sold half a million cars in the UK since we launched in 1991.

From the 3 or 5-door Picanto and Rio models to the highly practical 7-seat Carens MPV and this innovative 7-seat All-New Sorento range, Kia offers a full line-up of passenger cars including the multi-award winning Sportage crossover. There's something special about the Kia range – it's the focus on the detail, the passion and enthusiasm put into every model by our design team headed by Peter Schreyer, who previously designed the original Audi TT.

For warranty coverage including terms and exclusions please contact your Kia dealer.

THE ALL-NEW KIA SORENTO

Confidence comes as standard

The All-New Kia Sorento is covered by our pioneering 7 year vehicle warranty consisting of 3 year/unlimited mileage and 4-7 year/100,000 mile full manufacturer's warranty including a 12 year/unlimited mileage anti-perforation warranty.

At Kia we are proud to have teamed up with independent review company Reevo to create a forum where owners can write reviews about their new Kia. More than 15,000 Kia owners have already left a review, so log onto **www.kia.co.uk/reviews** to find out more.

Sophistication has an all-new look

The All-New Kia Sorento is a ground-breaking SUV combining 7-seat space, agility and comfort in one stylish package. There are 4 models in the new range comprising the 'KX-1', 'KX-2', 'KX-3' and the range topping 'KX-4'. The range builds on the heritage of its popular predecessor whilst boasting a long bonnet, low roofline and swept-back silhouette which all contribute to its dynamic proportions and sleek design.

All models have stylish alloy wheels and roof rails which not only create a sophisticated yet contemporary look but have a practical purpose too as they help free up more space inside the cabin. All models also feature front and rear fog lights, stylish privacy glass and the convenience of electrically folding and adjustable mirrors with LED indicators which makes it easier to park in tight spaces. In addition to the aesthetic appeal of the LED's they also illuminate quicker, last longer and are more energy efficient than conventional bulbs therefore offering practicality as well as sophistication. The All-New Sorento has already been awarded the prestigious iF product award recognising design quality amongst its main criteria.

Take a look at the distinctive dark metallic mesh Kia 'Tiger-Nose' grille and stylish chrome exterior door handles ('KX-2' upwards). Add in engaging SUV performance, low CO₂ emissions from 149 g/km, superb levels of technology and the All-New Sorento definitely deserves a closer look.

What Car? has already named it the No.1 seven-seat SUV in a field of top competitors.

WHAT CAR?

Vibrant and sophisticated

Take a look around the All-New Sorento range and you will find plenty of eye-catching design features.

LED daytime running lights

Stylish LED daytime running lights significantly improve your visibility to oncoming traffic.

Brake light integrated into the rear spoiler

All models feature a rear spoiler which has a practical purpose too as it improves airflow and incorporates a high-mounted brake light.

LED rear combination lights ('KX-3' upwards)

'KX-3' upwards boast striking and highly visible rear combination lights which are integrated into the tail light clusters to create a striking finish to the All-New Sorento design.

Adaptive Front Lighting System (AFLS) ('KX-4')

For enhanced visibility at night, the headlights shine light into corners more efficiently as the swivelling headlights adapt to the steering angle, the weight and the speed of the car.

Smart power tailgate ('KX-3' upwards)

Ideal when you have your hands full – the tailgate opens automatically when the smart entry system key is detected behind the back of the car for three seconds and closes with a simple push of the button.

Inner Beauty

From the flowing contours, reaching across the dashboard to the air vents and sculpted door trim, every detail is designed to wrap around the driver. The eye-catching craftsmanship is evident throughout the cabin for example take a look at the satin-chrome finish on the inner door handles, air vent surrounds and on both the centre and floor console on the 'KX-2' upwards.

All models have a luxurious leather trimmed steering wheel and gearshift and the convenience of a tilt and telescopic steering wheel adjustment. The 'KX-3' upwards feature ambient lighting on the front centre console and door trims to conveniently guide your way at night. To help keep your new car in pristine condition, stylish aluminium door

Panoramic sunroof with automatic electric one-touch roll blinds with safety function ('KX-3' upwards)

To further amplify the sense of space, the 'KX-3' upwards feature a sliding panoramic sunroof which covers a wide area for maximum appeal and brightness. One-touch motor-driven roller blinds with sliding function block the sun to provide shade whenever required.

scuff plates with front illumination are amongst the standard specification on the 'KX-3' upwards and these models also feature stylish alloy pedals. These sturdy yet lightweight stainless steel pedals add a performance feel.

Engine start/stop button with smart entry system ('KX-3' upwards)

The engine comes to life immediately with one touch of the start/stop button which adds a sporty feel to the cabin.

Driver Ergonomics

The All-New Kia Sorento takes eye-catching craftsmanship to a whole new level of sophistication. You can adjust the volume or change stations without taking your hands off the steering wheel thanks to the intuitively placed steering wheel mounted controls and similarly with the cruise control and speed limiter feature you can adjust this feature which helps you controls. Similarly with the cruise control your speed simply by pressing the ergonomically designed button on the steering wheel. Not only are these features more convenient for the driver to operate but they are safer too.

Luxurious black leather* upholstery ('KX-2' upwards) or light grey leather* upholstery – exterior colour dependent ('KX-4')

The 'KX-2' upwards boast sumptuous black leather upholstery whilst the 'KX-4' boasts black leather upholstery or grey and black leather upholstery (exterior colour dependent) further enhancing the luxurious feel on-board.

* Some parts of the leather upholstery contain faux leather.

8" Touchscreen Satellite Navigation with European Mapping & Traffic Messaging Channel ('KX-3' upwards)

Taking in-car entertainment to the next level, the 'KX-3' upwards feature a brand new high-definition 8" LCD touchscreen. This sat nav also features the new Infinity® premium sound system with 10 speakers including a 4" central speaker, external amp and subwoofer for superior sound quality. This has been perfectly tuned to provide excellent sound quality in all driving conditions. As soon as you put your car into reverse gear, the 8" touchscreen changes to give you a clear view of what's behind – making parking safer and easier. The display screen features superimposed graphic lines which help to guide you smoothly into a parking space. The reversing camera is also a useful feature when you are hitching a trailer.

State-of-the-art Technology

The All-New Sorento boasts a myriad of state-of-the-art technological features.

7" Touchscreen Satellite Navigation with European Mapping & Traffic Messaging Channel ('KX-2')

This feature includes a traffic messaging channel with handy detour function including full UK postcode recognition, motorway junction views, lane guidance, speed limit display and multi-route planning enabling the driver to select from the fastest, shortest or most economical route. It also features a reversing camera system which is integrated into the 7" LCD touch screen.

6-speaker audio system

The 6-speaker audio system features a radio as well as AUX and USB ports for your MP3 music files.

The All-New Sorento also boasts DAB radio as a standard feature across the range - offering the listener a far wider choice of stations and superior quality reception.

Adaptive Cruise Control ('KX-4')

A first for the All-New Kia Sorento is the adaptive cruise control which is a standard feature on the range-topping 'KX-4'. This feature uses a radar sensor at the front of the vehicle to monitor the distance to the vehicle ahead. To keep a set, safe distance, the system will apply the brakes and even stop the car, until the vehicle ahead proceeds.

Ease of entry and exit

The 2nd row seat auto-folds and slides 270 mm for easy access to the 3rd row.

8-way ('KX-4')

Power-adjustable front passenger seat (sliding, reclining, lumbar and height)

10-way ('KX-4')

Because we're all individuals: the 10-way power-adjustable driver's seat with 4-way lumbar support makes it easy to find your ideal seating position.

Seven seats for maximum flexibility:

Fold the rear seats partially or fully to create numerous seating and cargo combinations.

3rd row partially folded

3rd row folded flat

3rd row folded flat & 2nd row partially folded

Room for any adventure

The versatile All-New Sorento boasts 7-seat flexibility and plenty of cargo space. Ergonomically shaped seats offer the ultimate support while the 40:20:40 split folding and reclining second row seats and 50:50 split-folding third row seats provide comfort for all passengers but also the convenience and practicality of transporting bulky items – a massive 1,662 litres when all 7-seats are folded.

New floor console design

The sleek new floor console design features an electric parking brake with auto hold function ('KX-2' and 'KX-3' – auto models only and 'KX-4'). No handbrake, simply press the electric parking brake switch.

Rear air ventilation and power supply

For rear passenger comfort, all models boast rear air ventilation – passengers in the rear can adjust the air-flow via the controls mounted at the back of the floor console. A USB charging port and 12V outlet are also situated in the rear to be able to charge your portable devices on the move.

Heated front seats, outer rear heated seats ('KX-2' upwards) and ventilated front seats ('KX-4')

Perfect for cold starts – the 'KX-2' upwards boast the convenience of heated front seats and outer rear heated seats designed to provide optimum comfort even on cold winter days. In addition on the range topping 'KX-4' ventilated front seats where air is blown through the cushion keep the driver and front passenger comfortable whatever the weather.

10-way power adjustable driver's memory seat (sliding, reclining, lumbar and height functions) – 'KX-4'

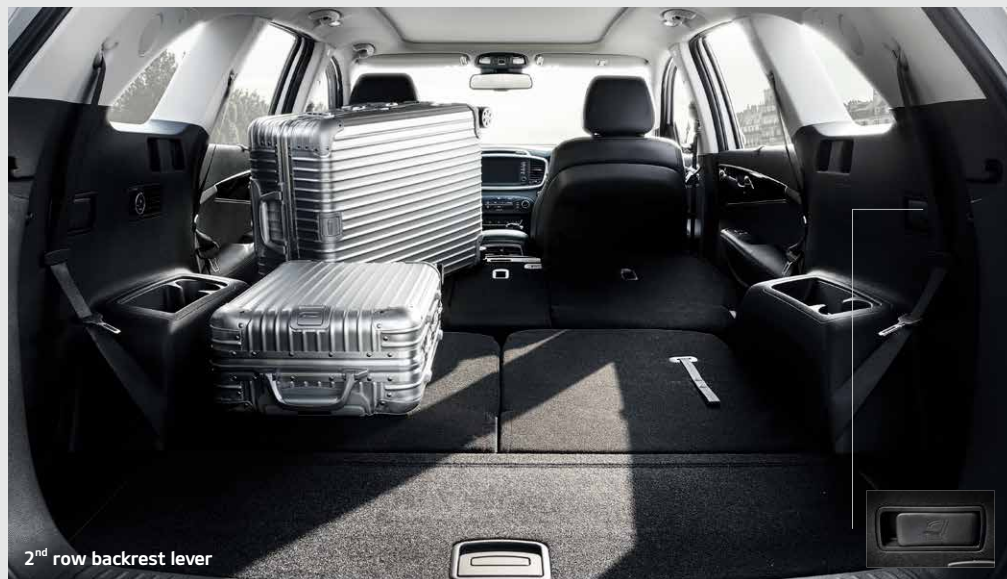

The 10-way power adjustable driver's seat with 4-way lumbar support makes it easy to find your ideal seating position and the integrated memory system (IMS) – pictured which conveniently stores seat and side mirror positions for up to two drivers.

The epitome of comfort

Once inside, you are met with a unique sense of space as the All-New Sorento feels cavernous boasting plenty of leg and headroom. The interior has been re-designed to offer exceptionally high levels of quality and generous use of soft touch materials throughout the cabin. For passenger comfort, air conditioning is standard on the 'KX-1' whilst the rest of the range features dual automatic air conditioning with an ioniser which detects and eliminates odours making for a healthier and more pleasant journey. The range-topping 'KX-4' features retractable rear side window blinds so passengers in the rear stay cool on warm days and this feature also adds privacy.

2nd row backrest lever

For easier folding without the need to open the rear door, each side of the cargo area has a remote folding lever for the 2nd row backrests.

Cargo screen storage compartment

Stow larger valuables under the retractable screen out of view in a separate, partitioned-off space.

Smart power tailgate ('KX-3' upwards)

Ideal when you've got your hands full: the tailgate opens automatically when the smart entry system key is detected behind the back of the car for three seconds and closes with a simple push of a button.

Practical yet flexible

Flexibility is key to accommodating a wide range of items and uses in the All-New Sorento. Stylish roof rails are a standard feature across the range which also have a practical use by freeing up more storage space within the cabin.

eco dynamics

Intelligent Thinking

All new Sorento models are available with Kia's advanced EcoDynamics technology. This fuel-stretching Intelligent Stop and Go (ISG) technology can help save up to 12% more fuel and reduce your carbon footprint – simply by cutting the vehicle's engine off whenever the car is stationary. When you come to a stop, select neutral and remove your foot from the clutch and the engine will re-start instantly. All elements work together to create what we call 'EcoDynamics'. Clever stuff!

This means reduced fuel consumption and lower CO₂ emissions – from just 149 g/km on the 'KX-1' 2.2. litre CRDi (diesel) engine which saves you money and helps the environment too.

Intelligent All-Wheel-Drive (AWD) technology

The All-New Sorento features a maximum towing capacity of 2,500kg (transmission dependent) and makes light work of pulling anything from trailers to caravans, or even a horsebox. The 'KX-2' upwards feature self-levelling suspension amongst their standard specification. This feature means the vehicle height automatically adjusts depending on how many people or how much luggage has been loaded in order to improve driving stability. This is also used to assist when towing trailers, keeping the vehicle level despite the additional weight of the trailer/caravan.

Inspired by rugged terrain, the All-New Sorento's All-Wheel-Drive (AWD) technology is designed to make everyday driving more comfortable. All-Wheel-Drive means in normal driving conditions, the vehicle remains in standard 2WD mode to boost fuel economy but faced with more adverse weather conditions, the AWD system anticipates the need for greater traction and automatically engages. The innovative, continuously active AWD ensures the All-New Sorento maintains excellent traction on rough, loose or slippery surfaces and helps improve lateral stability when cornering.

The All-New Sorento range is fitted with six airbags as standard – driver, front passenger, front side and curtain airbags which help minimise the risk of injury in the event of a collision.

Uncompromised safety credentials

At the crash test laboratories of Kia Motors' Namyang Research and Development Centre, we undertake rigorous testing for a wide range of motor accident scenarios. From the early phase of development we create computer simulations to predict a vehicle's safety and up to 100 crash tests of the vehicle are performed prior to launch. The All-New Sorento range is fitted with all-round 3-point seatbelts, whilst ISOFIX child seat top tethers and anchor fixings are fitted as standard in the rear to protect younger passengers on-board.

Rack Mounted Motor Driven Power Steering (R-MDPS)

A firm, solid feel and unprecedented steering response are simultaneously achieved with R-MDPS.

ABS with Electronic Brakeforce Distribution

The Brake Assist System (BAS) detects emergency braking depending on how quickly you brake. It instantly applies full braking force which helps shorten the overall braking distance.

Hill-start Assist Control (HAC)

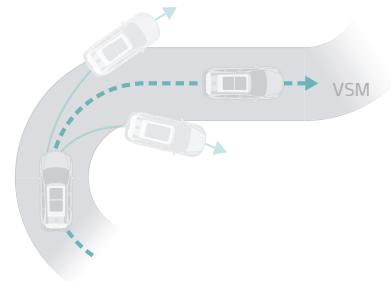

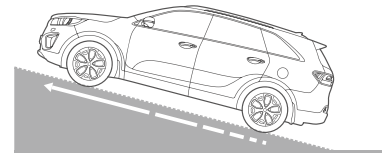

Hill-start Assist Control prevents you from rolling backwards when starting on a steep hill.

Vehicle Stability Management (VSM)

Vehicle Stability Management helps minimise over or under-steer in adverse weather conditions.

Emergency Stop Signalling (ESS)

This feature causes the brake lights to flash simultaneously followed by the hazard warning lights in the event of the vehicle braking sharply, helping to avoid collisions by warning following traffic.

Six airbags as standard

Blind Spot Detection (BSD) – 'KX-4'

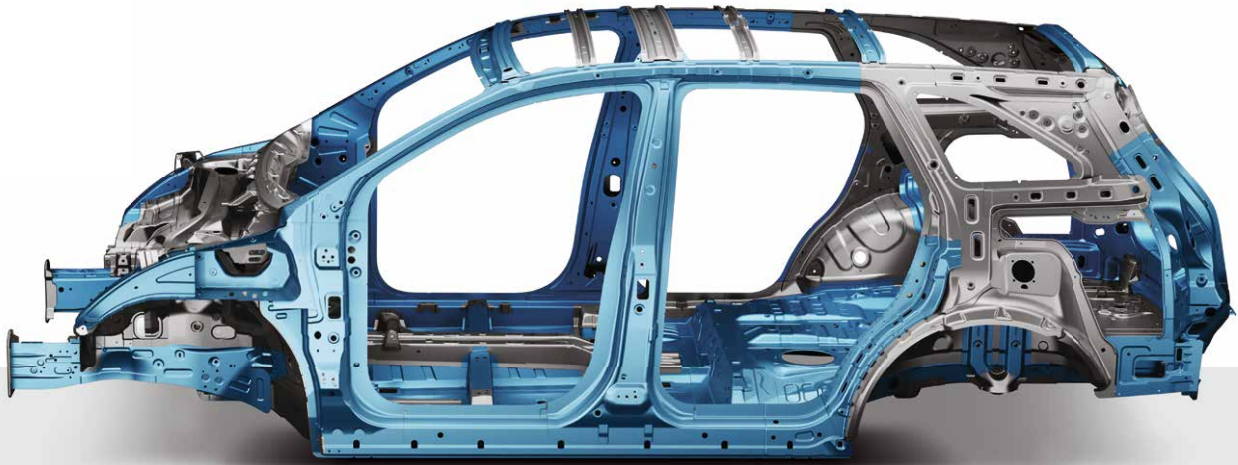

If the All-New Sorento senses a car in your blind spot, the blind spot detection system triggers a visual warning. If the driver tries to change lane whilst a car is in the blind spot, the system sounds an audio alert

Rear Cross Traffic Alert (RCTA) – 'KX-4'

In conjunction with the Blind Spot Detection system, the Rear Cross Traffic Alert will assist the driver when reversing into crossing traffic. When reverse gear is engaged, RCTA will monitor for any crossing traffic and provide a visual warning in the left or right exterior door mirror which is accompanied by an audible sound. The system is able to detect cars, motorcycles and even shopping trolleys although the detection zone varies (car 20m, motorcycle 15m and a shopping trolley 10m).

Your safety is our top priority

The All-New Sorento uses more than 52.7% advanced high strength steel (AHSS) This exceptional steel reinforces the front, rear and sides, as well as high stress points throughout the car's body ensuring your safety is our top priority.

52.7 % AHSS used

The All-New Sorento boasts a 5-Star EuroNCAP rating which makes it amongst the safest cars in its class.

Low Tyre Pressure

Full size alloy spare wheel:

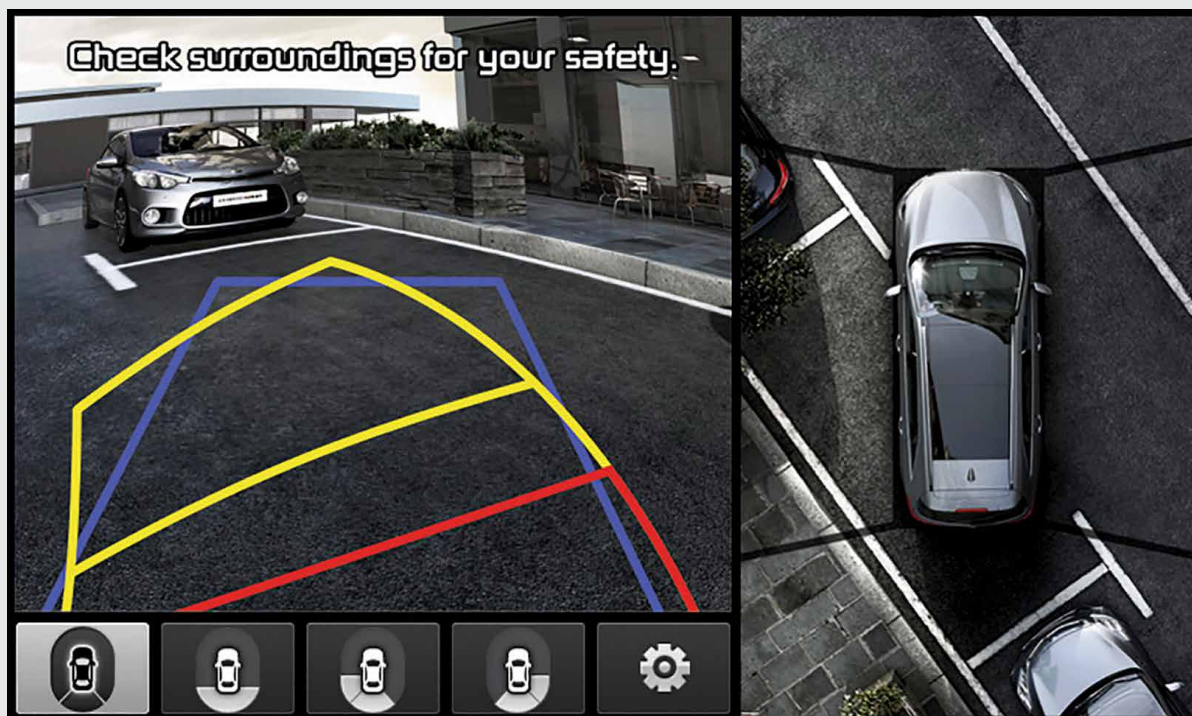

For convenience, a full size alloy spare wheel is standard across the All-New Sorento range.

TPMS (Tyre Pressure Monitoring System)

The Tyre Pressure Monitoring System not only warns you if the tyre pressure is too low but it also shows the current pressure of each tyre.

Parking made simple

Whether it's assisting you with parking, manoeuvring in tight spaces or taking corners with added confidence – the All-New Sorento comes with highly refined solutions for a safer journey.

360° around view monitor ('KX-4')

This is a brand new intuitive system on the range-topping 'KX-4'. The system combines four wide-angle images from cameras at the front, rear and sides of the vehicle to give you a comprehensive bird's eye view of the space around the car while parking or moving at low speed.

Smart Park Assist System including reverse and parallel departure function ('KX-4')

This innovative feature is designed to help you when manoeuvring into both parallel and tight parking spaces as well as reversing. It recognises a suitable parking space, steers and judges the distance to cars around the car – all you need to do is adjust the speed and change gears accordingly.

Superior power, performance and efficiency

The All-New Kia Sorento provides all the tools for an engaging drive: responsive and agile, the 2.2 litre diesel engine offers engaging mid and low-range torque as well as a smooth and quiet operation. Fuel consumption is kept low, thanks to precise transmissions and excellent aerodynamics with a drag co-efficient of just 0.33.

Cd **0.33** drag coefficient

2.2 CRDi (diesel) engine
Max. power 200 ps @ 3,800 rpm

Steering Mode

Flex Steer ('KX-1', 'KX-2' and 'KX-3' – manual models only)
Flex steer enables the driver to choose between three steering modes – simply select 'comfort' to make light work of city driving, 'normal' for regular driving or 'sport' mode for even more responsive steering – ideal for motorways. The All-New Sorento automatic models benefit from a drive mode select feature instead.

6-speed manual transmission
The All-New Sorento comes with a 6-speed manual gearbox offering high torque when accelerating and sporty performance, along with smooth, fuel-efficient gear changes.

6-speed automatic transmission
The 6-speed automatic transmission provides smooth, seamless gear changes and improved fuel efficiency. Its Sportmatic design allows you to choose between automatic and clutch-free manual gear change for a sportier driving experience.

STANDARD SPECIFICATION

PAINT COLOURS

'KX-1' STANDARD FEATURES INCLUDE

- DAB Radio
 - CD Player
 - Bluetooth® with Music Streaming*
 - Manual Air Conditioning
 - 17" Alloy Wheels
 - Rear Parking Sensors
 - LED Daytime Running Lights
 - Cruise Control & Speed Limiter
 - Sunvisor Illumination
- Privacy Glass (Rear Windows & Tailgate)
 - Auto Down Windows
 - Rear Spoiler
 - Full Size Spare Alloy Wheel
 - Tyre Pressure Monitoring System (TPMS)
 - Front and Rear Fog Lights
 - Cornering Lights
- Flex Steer
 - Electric Folding Mirrors with Side Repeaters
 - Rear Manual Air Conditioning
 - Intelligent Stop and Go (ISG)
 - Leather Wrapped Steering Wheel
 - Black Skid Plates
 - Roof Rails
 - Black Mesh Radiator Grille

'KX-2' STANDARD FEATURES ADD (OVER 'KX-1')

- 18" Alloy Wheels
 - Leather Upholstery**
 - Front and Outer Rear Heated Seats
 - Heated Steering Wheel
 - Electronic Parking Brake (AT Only)
 - Self Levelling Suspension (SLS)
 - Drive Mode Select (AT only)
 - Front and Rear Parking Sensors
 - Cloth wrapped A/B Pillar
 - Rain Sensor
- Auto-dimming Rear-view Mirror
 - Driver Wide View Mirror
 - Dual Automatic Air Conditioning with Ioniser
 - Dark Metallic Mesh Radiator Grille
 - Silver Skid Plates
 - 7" Satellite Navigation with DAB, MP3, RDS and Rear View Camera (in lieu of CD Player)
 - Auto Light Control
 - Leather Trimmed Gearshift
 - Heated Door Mirrors

'KX-3' STANDARD FEATURES ADD (OVER 'KX-2')

- Xenon Headlights with Headlight Washers
 - Panoramic Sunroof
 - LED Rear Combination Lights
 - LED mood and Foot Lights
 - Aluminum Door Scuff Plates with Illumination
 - Aluminum Pedals
 - Driver's Power Seat – 8 Way with 2 Way Electric Lumbar Support
 - Hydrographic Finish Floor Console Trim
- 7" LCD Supervision Cluster
 - Lane Departure Warning System (LDWS)
 - Smart Power Tailgate
 - Engine Start/Stop Button with Smart Entry System
 - Speed Limit Information Function (SLIF)
 - 8" Satellite Navigation with DAB, MP3, RDS, CD Player and Rear View Camera
 - 10 Speaker Infinity® Sound System

'KX-4' STANDARD FEATURES ADD (OVER 'KX-3')

- 19" Alloy Wheels
 - Smart Park Assist System including Reverse and Parallel Departure Function
 - 360° Around View Monitor
 - Smart Cruise Control
 - Rear Side Window Blinds
 - Driver's Power Seat – 10 Way with 4 Way Electric Lumbar Support and Integrated Memory System (IMS)
- 8-way Power Adjustable Front Passenger Seat
 - Heated and Ventilated Front Seats
 - Solar Glass
 - Adaptive Front Lighting System (Xenon Type)
 - Blind Spot Detection (BSD)
 - Rear Cross Traffic Alert (RCTA)

*Several models of Bluetooth® enabled phones are available on the market. Kia cannot guarantee compatibility with all phones. Please check the compatibility of your mobile phone via www.kia.co.uk or by trialling your phone at a Kia dealer. ** Some parts of the leather upholstery contain faux leather.

Attention to detail

Bluetooth® with music streaming

All models benefit from this sophisticated communication and safety feature – use it to make calls or even play music wirelessly.

Steering wheel mounted controls

To ensure you stay focused on the road, steering wheel mounted controls help you operate the audio features without taking your hands off the wheel.

EcoDynamics

All models feature Kia's advanced EcoDynamics technology. This fuel-stretching Intelligent Stop and Go (ISG) technology can help save up to 12% more fuel and reduce your carbon footprint.

Electrically folding and adjustable mirrors with LED indicators

The electrically folding door mirrors make it easier to park in tight spaces. In addition to the aesthetic appeal of LED's they also illuminate quicker, last longer and are more energy efficient than conventional bulbs.

DAB radio

The All-New Sorento range boasts DAB radio as a standard feature – offering the listener a far wider choice of stations and superior quality reception.

Leather trimmed steering wheel and gearshift

All models boast the luxury of a leather trimmed steering wheel and gearshift, especially useful during colder weather.

Spacious cargo room

The 40:20:40 split folding and reclining second row seats and 50:50 split-folding third row seats provide comfort for all passengers but also the convenience and practicality of transporting bulky items – a massive 1,662 litres of load capacity when all 7-seats are folded.

Rear air ventilation and power supply

For rear passenger comfort, all models feature rear air ventilation – passengers in the rear can adjust the air-flow via the controls mounted at the back of the floor console. A USB charging port and 12V outlets are also situated in the rear to be able to charge your portable devices on the move.

Adaptive Front Lighting System (AFLS) ('KX-4')

For enhanced visibility at night, the headlights shine light into corners more efficiently as the swivelling headlights adapt to the steering angle, the weight and the speed of the car.

Panoramic sunroof with automatic electric one-touch roll blinds with safety function ('KX-3' upwards)

The 'KX-3' upwards feature a large twin-section sliding panoramic sunroof which fills the cabin with light for maximum appeal and brightness. One-touch motor driven roll blinds with a sliding safety function block the sun to provide shade whenever required.

Steering Mode

Flex steer system ('KX-1', 'KX-2' and 'KX-3' – manual models only)

Simply select 'comfort' to make light work of city driving, 'normal' for regular driving or 'sport' mode for even more responsive steering which is ideal for motorways.

Engine start/stop button with smart entry system ('KX-3' upwards)

The engine comes to life immediately with one touch of the start/stop button which adds a sporty feel to the cabin. The smart key unlocks the door the moment you touch the button on the handle so you never have to worry about searching for keys.

Attention to detail (continued)

Electric parking brake with auto hold function ('KX-2' and 'KX-3' – auto models only and 'KX-4')

The sleek new floor console design features an electric parking brake with auto hold function. No handbrake, simply press the electric parking brake switch.

Dual automatic air conditioning ('KX-2' upwards)

The dual automatic air conditioning with an ioniser detects and eliminates odours making for a healthier and more pleasant journey.

10-way power adjustable driver's memory seat (sliding, reclining, lumbar and height functions) – 'KX-4'

This feature makes it easier to find your ideal seating position and the integrated memory system (IMS) – pictured conveniently stores seat and side mirror positions for up to two drivers.

Shark fin antenna

The stylish roof-mounted shark fin antenna accentuates the striking Sorento profile.

Smart power tailgate ('KX-3' upwards)

Ideal when you've got your hands full: the tailgate opens automatically when the smart entry system key is detected behind the back of the car for three seconds and closes with a simple push of a button.

8" Touchscreen satellite navigation with european mapping & traffic messaging channel ('KX-3' upwards)

Taking in-car entertainment to the next level, the 'KX-3' upwards feature a brand new high-definition 8" LCD touch screen. This sat nav also features the new Infinity® premium sound system with 10 speakers including a 4" central speaker, external amp and subwoofer for superior sound quality.

360° around view monitor ('KX-4')

This is a brand new intuitive system on the range-topping 'KX-4'. The system combines four wide-angle images from cameras at the front, rear and sides of the vehicle to give you a comprehensive bird's eye view of the space around the car while parking or moving at low speed.

Lane departure warning system (LDWS) – 'KX-3' upwards

A camera at the front of the car monitors lane markings and, if the driver moves out of the lane unintentionally, the instrument cluster emits a warning.

TPMS (Tyre pressure monitoring system)

The TPMS feature warns you if the tyre pressure is too low and it also shows the current pressure of each tyre.

Smart park assist system including reverse and parallel departure function ('KX-4')

This innovative feature is designed to help you when manoeuvring into both parallel and tight parking spaces as well as reversing. It recognises a suitable parking space, steers and judges the distance to cars around the car – all you need to do is adjust your speed and change gears accordingly.

Speed Limit Information Function (SLIF) – 'KX-3' upwards

This handy feature uses a camera and navigation system to read speed limit signs along the road and displays the information beside the speedometer and on the navigation screen.

Blind spot detection (BSD) – 'KX-4'

If the All-New Sorento senses a car in your blind spot, the blind spot detection system triggers a visual warning. If the driver tries to change lane whilst a car is in the blind spot, the system sounds an audio alert.

ENVIRONMENTALLY YOURS

Kia Motors takes great pride in rising to meet the expectations and challenges of the 21st century while making tangible contributions to the preservation of the environment and sustainable development of society. Kia Motors has set up an environmental research centre to spearhead the company's drive in the production of less polluting hybrid and fuel-cell vehicles, investing in eco-

Kia Motors Corporation is committed to surpassing customer expectations through continuous automotive innovation. By offering our customers products and services that exceed expectations, we enable them to lead energetic lives. Kia's line-up of dynamically designed, high quality cars and world-class service offerings ensure that our customers are enthusiastic about coming back to Kia - again and again.

friendly cars for a greener tomorrow.

The concept of eco-friendly cars is followed through all cycles of a vehicle's life. From design through to recycling, Kia Motors creates innovative products, ensuring state-of-the-art Design for Recycling (DfR) guidelines. Wherever possible, recycled and recyclable materials are used in the production of Kia cars, all major plastic parts being chosen for ease of disassembly and stamped with a composition code.

Even at the end of a vehicle's life, one of Kia Motors' environmental targets is the eco-friendly take-back and treatment of End-of-Life Vehicles. Operating a rigid process, Kia Motors has selected partners across Europe that guarantee environmental protection in the treatment of harmful waste substances. These are then recycled or recovered, ensuring the highest level of environmental protection. Kia Motors (UK) Ltd has appointed autogreen as our partner to manage the take-back, treatment and recycling of End-of-Life Vehicles in accordance with Directive 2000/53/EC. They can provide advice on whether or not your vehicle qualifies for free take-back and the location of your nearest take-back facility.

DYNAMIC EVOLUTION

Driven by innovation: A solar-powered car, a water-fuelled car, a self-navigating "smart" car. No longer are these figments of the imagination but one day could be parked in your garage. Kia researchers are working around the clock to create the ultimate driving solutions with the safest, easy-to-drive and environmentally friendly features.

Kia's Namyang R&D Centre in Korea and our overseas research and design facilities in the USA, Japan and Germany are combining efforts to develop new vehicles that satisfy the diversified needs of each region of the world. By ushering in a new generation of cars that feature high impact-durability frames, on board "datainfotainment" systems and fuel efficient, lightweight and high-powered engines with reduced emissions and noise, Kia will spearhead automobile innovation in the 21st century.

COMPLETE PEACE-OF-MIND

At Kia, our quality promise extends beyond the factory floor. We want to ensure you always get the best service possible. Our pioneering 7 year warranty reflects this commitment. This warranty is also transferable so that if in the future you decide to sell your Kia Sorento, the new owner will benefit from the remainder of the warranty provided the car is regularly maintained in accordance with the servicing schedule*.

7 year vehicle warranty

Every Kia Sorento benefits from our pioneering 7 year/100,000 mile vehicle warranty*.

5 year paint warranty

High quality body paint ensures long-lasting protection and shine for your new Kia Sorento which is covered by our 5 year/100,000 mile paint warranty*.

12 year anti perforation warranty

Your new Kia Sorento comes with superior corrosion protection and a 12 year/unlimited mileage warranty against rust from the inside out**.

Financing

Your local Kia dealer is your partner in establishing a financing plan that's best suited to your needs. Ask your Kia dealer for more details.

*For full warranty coverage including terms and exclusions please contact your Kia dealer.

**Annual bodywork inspection required for which a charge may apply.

The official fuel consumption figures in mpg (l/100 km) for the Kia Sorento range are between Urban: 36.7 (7.7) – 40.9 (6.9), Extra-Urban: 46.3 (6.1) – 57.6 (4.9), Combined: 42.2 (6.7) – 49.6 (5.7). The official CO₂ emissions for the new Kia Sorento are between 149-177 g/km.

The official fuel consumption figures in mpg (l/100 km) for the Kia range of vehicles are between Urban: 29.1 (9.7) – 80.7 (3.5), Extra-Urban: 46.3 (6.1) – 94.2 (3.0) and Combined: 38.2 (7.4) – 88.3 (3.2). The official CO₂ emissions for the Kia range of vehicles are between 189-86g/km.

CO₂ emissions based on data available at time of going to print (July 2015).

The Kia warranty covers your new Sorento for 7 years.

All information and illustrations are based on data available at the time of print (July 2015) and are subject to change without notice. The fuel figures quoted were obtained in accordance with the prescribed measuring process (Directive 80/1268/EEC within the currently applicable version). These figures are based on an individual vehicle and do not constitute part of the product offer; they are provided solely for the purposes of comparison between different vehicle models. Contact your local Kia dealer for current information and full warranty details including terms and conditions. Images are for illustrative purposes only and may not be to UK specification.

The Power to Surprise
