# THE ALL-NEW SUZUKI JIMNY

For more information  
or to book a test drive, visit:  
[cars.suzuki.co.uk/jimny](http://cars.suzuki.co.uk/jimny)

**Fuel economy and CO<sub>2</sub>\* results for the Jimny 2019 range in mpg (L/100km): Combined from 32.1 (8.8) to 35.8 (7.9). CO<sub>2</sub> emissions: 170 to 154g/km.** The fuel consumption you achieve in real life conditions and CO<sub>2</sub> produced will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load.  
\*There is a new test used for fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figure(s) shown, however, is based on the outgoing test cycle and will be used to calculate vehicle tax on first registration.  
Only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical standard. Specifications and equipment vary depending on engine, transmission and model grade. Please contact your local Dealer for full details. All details correct at time of going to print: December 2018. Vehicles shown throughout this brochure are for illustration only and may feature non-UK/ROI equipment. Suzuki GB PLC, Steinbeck Crescent, Snelshall West, Milton Keynes, Bucks MK4 4AE. Suzuki Information Service: 0800 804 8828 (UK) or 01 906 1862 (ROI). Calls may be recorded or monitored.

**IT WASN'T**

**BUILT TO**

**FOLLOW**

**DISCOVER NEW FRONTIERS WITH THE ALL-NEW JIMNY**

With nearly 50 years of experience, engineering and refining behind it, the all-new Jimny is more capable than ever before.

We've stuck to our classic Jimny concept, so the iconic 4x4 remains compact, lightweight, and capable of tackling the toughest and most remote of terrains. And with the help of our ALLGRIP Pro 4-wheel Drive technology, a powerful 1.5 litre engine and a chassis which has been specially designed for superb off-road capability, the

all-new Jimny has really got what it takes to take you where few other 4x4s can go.

Plus, with our expertly engineered collection of practical touches, including a high ground clearance and ample interior space with a wide tailgate opening, it's prepared for any and every adventure you might have.

So if you want to go places most other 4x4s fear to tread, then get behind the wheel of the all-new Jimny.

# ADVENTURE

## NEVER LOOKED SO GOOD

### THE ALL-NEW JIMNY HAS BEEN CRAFTED FOR ADVENTURE, INSIDE AND OUT.

That's why it's been designed with a range of practical features to help you take on whatever challenges nature has to offer. So whatever the weather, whatever the conditions, the all-new Jimny has what it takes to tackle them.

### BONNET CORNERS AND VISIBILITY

The all-new Jimny has been designed with a flat and square bonnet, which lets you keep the front corners in view, offering excellent visibility on uneven terrain. So you'll always be on top of your surroundings.

### OPTIMISED BODY DESIGN

The optimised, cutaway bumpers offer outstanding ground clearance at the wheel, ensuring more grip when climbing over obstacles, with moulded black guards protecting the body from stone chips and scratches.

### COMPACT DESIGN

With its compact dimensions, the all-new Jimny is small enough to take you places other larger 4x4s can't. Plus it's really light, which helps it get over tough terrain.

# PRACTICALLY PERFECT

## DESIGNED TO HELP YOU DO THE JOB.

Step inside the all-new Jimny and you'll discover a range of features to help you stay focused on tackling off-road conditions. The steering wheel is leather wrapped\* making it tactile and luxurious, and can be vertically adjusted up to 35mm. The meters are always illuminated for clear viewing, night and day.

The advanced touchscreen\* lets you easily control the audio and navigation systems, and is compatible with Apple CarPlay, Android Auto™ and MirrorLink™. As you can see, we've done everything to ensure you can enjoy the perfect adventure.

- 1 Ride-in assist grip
- 2 Scratch/stain-resistant instrument panel
- 3 Air conditioning
- 4 Intuitively designed controls
- 5 Smartphone link display with infrared touchscreen\*
- 6 Vertically adjustable steering wheel
- 7 Illuminated meter cluster

# TACKLE

# TOUGH

# TERRAIN

### THE CAPABILITY OF THE JIMNY STILL SHINES THROUGH.

There's a reason why, for nearly 50 years, the popularity of the Jimny has grown and grown. And that's because when people think of the Jimny, they think 'capable', they think 'groundbreaking', and they think 'ready to handle all conditions'. The all-new Jimny is no different, sticking to the rugged 4x4 principles that inspired the first model. But don't just take our word for it - have a look at what goes into the all-new Jimny, so you can see what you can get out of it.

### AMPLE BODY ANGLES AND CLEARANCE

We don't believe in barriers. Which is why we've designed the all-new Jimny with plenty of ground clearance and angles to help you overcome anything in your way. An ample departure angle, ramp breakover angle, approach angle and ground clearance lets you tackle steep slopes, sharp descents and obstacles without scraping the bumpers or underbody of your all-new Jimny.

### ALLGRIP PRO 4WD WITH LOW RANGE TRANSFER GEAR

The all-new Jimny can adapt to difficult conditions at the shift of the transfer lever, thanks to our ALLGRIP Pro 4WD technology. When conditions get tough, switch to 4L mode for maximum torque control and traction. 4H mode lets you enjoy traction at higher speeds, for snowy and flatter off-road terrains. And the 2H mode lets you switch to a smoother, quieter and more fuel-efficient ride for paved roads. See - ready for anything.

### RIGID LADDER FRAME

As ever, the all-new Jimny still comes with a strong, tough and flexible ladder frame; a serious foundation for off-road performance. No point in messing with a classic design.

### 3-LINK RIGID AXLE SUSPENSION WITH COIL SPRING

Full-width axles can be found in both the front and rear, giving the all-new Jimny superior grip on diverse terrains. When an obstacle pushes one wheel up, the axle presses the other wheel down to increase tyre contact in rough road conditions.

# ADVANCED

# PERFORMANCE

# GUARANTEED

### THE SPIRIT OF JIMNY, WITH THE TECHNOLOGY OF TODAY.

When it came to designing the all-new Jimny, we stuck to our classic 4x4 philosophy. But that doesn't mean our thinking is stuck in the past, because the all-new Jimny comes equipped with all the latest performance technology to ensure that your car is as capable as anything out there.

#### HILL HOLD CONTROL

Hold your ground when tackling steep slopes with Hill Hold Control. This feature prevents rearward rolling, even on the bumpiest of slopes.

#### HILL DESCENT CONTROL

Feel more secure when going downhill with Hill Descent Control. This system automatically applies the brakes and maintains a fixed speed, so you only need to concentrate on steering.

#### NEW 1.5 LITRE ENGINE

To take on the elements, you need powerful performance, and this robust new 1.5 litre engine has got what it takes. It delivers strong torque throughout a wide RPM, whilst being small and lightweight enough to ensure high fuel efficiency.

#### BRAKE LIMITED SLIP DIFFERENTIAL TRACTION CONTROL

Tackle slick or slippery ground with confidence. If two wheels diagonal across from each other lose grip while on a slippery surface, this system will automatically brake the slipping wheels, applying torque to the two other wheels and ensuring the all-new Jimny remains as steady and capable as ever.

# ROOM TO EXPLORE

## PLENTY OF SPACE FOR EVERY ADVENTURE.

If you're getting ready to battle the off-road elements, or preparing to tackle a more urban environment, the all-new Jimny offers all the space you'll need, and a range of practical storage solutions. Have a look at all these thoughtfully designed features that'll have you ready to explore.

### WIDE TAILGATE OPENING

This practical design offers maximum accessibility, with the wide opening allowing for the easy storage of larger items. So wherever adventure takes you, you'll always be better prepared.

### AMPLE REAR SPACE

The rear storage area can be expanded with the help of rear folding seats, which fold completely flat to offer a generous 377 litres of boot space. The floor and seatbacks are resin-coated for the easy removal of dirt, and a rear electrical socket lets you power equipment behind the vehicle.

### PRACTICAL INTERIOR TOUCHES

The all-new Jimny has an array of practical touches, including convenient pockets and trays for your phone, beverages and other items, and USB and accessory sockets to connect and power your devices.

# SAFE AND SECURE

**SAFETY. IT'S AT THE HEART OF EVERYTHING WE DO.**

When you're driving a vehicle as capable as the all-new Jimny, it's only natural to want to take on the most challenging of conditions. So it's important to feel confident and safe behind the wheel. That's why

the all-new Jimny is equipped with some of the latest safety features to give you everything you need to feel more protected.

# THE SCIENCE BEHIND THE SAFETY

## DUAL SENSOR BRAKE SUPPORT

When moving, the all-new Jimny senses if there's a risk of forward collision. Upon detecting a potential collision, the vehicle acts to mitigate the impact, including automatically applying the brakes, if necessary.

1. Alerts the driver with an audio warning and visual warning.
2. Deploys Brake Assist to increase braking force if the risk of collision is high and the driver panic-brakes.
3. Applies strong automatic braking if the risk of collision increases even more.

## HIGH BEAM ASSIST

This feature automatically switches the headlights between high and low beams depending on the lighting environment and presence of other vehicles. So you can enjoy safer and more relaxing night driving.

## WEAVING ALERT

At 37mph or faster, Weaving Alert calculates the driving pattern and issues audio and visual warnings if the vehicle is weaving within a lane due to, for example, driver drowsiness.

## LANE DEPARTURE WARNING

At 37mph or faster, the lane departure warning function can predict the path of the vehicle and issue warnings to the driver, if necessary, to help avoid straying out of a lane.

## TRAFFIC SIGN RECOGNITION

This system monitors the road for traffic signs and when signs such as speed limits or no passing zones are detected, it displays the sign on the meter display as a reminder to the driver. When multiple signs are detected, a maximum of three signs can be displayed at once.

Note: There is a limit to the ability of the monocular camera and laser sensor to detect obstacles and lanes, and control the vehicle. Please do not rely on the system: always drive safely.

# MAKE YOUR MARK

## ADD A LITTLE COLOUR TO YOUR JOURNEY.

Want to give your all-new Jimny the personal touch? Then take a look at our stylish range of colours, and find a shade that's perfect for you.

### Single tone colours

**Superior White**  
Available on all models

**Silky Silver Metallic**  
Available on all models

**Blueish Black Pearl Metallic**  
Available on all models

**Chiffon Ivory Pearl Metallic with Blueish Black Pearl Metallic roof**  
Available on SZ5 models only

**Brisk Blue Metallic with Blueish Black Pearl Metallic roof**  
Available on SZ5 models only

**Kinetic Yellow with Blueish Black Pearl Metallic roof**  
Available on SZ5 models only

# PREPARE FOR MORE

## ENHANCE EVERY JOURNEY WITH OUR RANGE OF ACCESSORIES.

With the all-new Jimny, we want you to be ready to set out from the get go. But if you need a little extra protection, or if you want to give the all-new Jimny a few touches that will make it suitable for your own personal adventure, then our range of practical accessories gives you everything you need to do just that. Check out our full range at [cars.suzuki.co.uk/jimny](http://cars.suzuki.co.uk/jimny)

# THE JOURNEY TO THE JIMNY

## IN 1970, SUZUKI LAUNCHED SOMETHING NEW.

A vehicle with the philosophy to take you places other cars couldn't in the past. A vehicle born with 4x4 spirit. A vehicle called the Suzuki LJ10.

It was an immediate success, because in a market dominated by large vehicles with high-displacement engines, this game changer was able to nimbly conquer terrains these other cars couldn't, thanks to its compact frame and 4-wheel Drive technology. And it was this car that formed the basis of what would become the Suzuki Jimny.

The Jimny quickly gained a cult following around the world;

a following that remains to this day, with fans eagerly awaiting news on the launch of every new model.

A lot has changed since the launch of our original Jimny, but the philosophy that inspired it – the philosophy to take you places no other car can – is still the starting point for every new generation of Jimny, including our all-new model, which is still being powered by our ALLGRIP technology. And with 50 years of engineering and evolution behind it, you can be sure that this 4x4 has got what it takes to carry you further than ever before.

# THE SUZUKI JIMNY

The fuel consumption you achieve under real life driving conditions and CO<sub>2</sub> produced will depend upon a number of factors including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. There is a new test used for fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figure(s) shown, however, is based on the outgoing test cycle and will be used to calculate vehicle tax on first registration. Only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical standard. Specifications shown have been achieved by production models under standard operating conditions. Data is intended to describe vehicles and their performance fairly, but may not apply to every vehicle. Colours, specifications and equipment may vary without notice. All details are correct at the time of going to print: December 2018. Vehicles shown throughout this brochure are for illustration only and may feature non-UK/ROI equipment. Suzuki GB PLC, Steinbeck Crescent, Snelshall West, Milton Keynes, Bucks MK4 4AE. Suzuki Information Service: 0800 804 8828 (UK) or 01 906 1862 (ROI) (calls may be recorded or monitored).

## SPECIFICATION GUIDE

# ADVENTURE AWAITS

The all-new Jimny is here and is more capable than ever before thanks to its ALLGRIP Pro 4-wheel Drive technology that delivers superb performance on every journey. It's great to drive. Awesome to look at. And it's ready for your next adventure. So which one will you choose?

## SZ4

As standard with the SZ4:

- Selectable 4WD with low-ratio transfer
- Dual Sensor Brake Support (DSBS)
- Full size spare wheel with black covering disc
- Front foglamps
- Automatic headlights with high beam assist
- Cruise control
- Bluetooth® connectivity
- Air conditioning
- CD tuner
- 15" black steel wheels

## SZ5

With the SZ5, you also get:

- 15" alloy wheels
- Body colour door handles
- Rear privacy glass
- LED headlights with washers
- Climate control
- Leather-covered steering wheel
- Satellite navigation
- Smartphone link
- Front heated seats

Bluetooth® is a registered trademark owned by Bluetooth SIG, Inc.

# THE SUZUKI SERVICE PROMISE

At Suzuki, we're proud of the cars we build. We're proud of the quality, we're proud of their value for money, and we're proud that our customers continue to enjoy driving them long after they've bought one. That's why we recommend getting your Suzuki serviced regularly. This helps your car to continue to run smoothly, minimises future problems and protects its residual value. And who better to service your car than Suzuki Trained Technicians. They aim to give you the best possible service when you visit their Suzuki Service Centre. It's all part of the Suzuki Service Promise.

## WARRANTY

Every Suzuki in the range comes with a comprehensive three-year or 60,000 miles/100,000 km warranty (whichever comes first) and a 12-year anti-perforation warranty.

## ROADSIDE ASSISTANCE

Need assistance? Well we're always around if you need any kind of roadside help. New cars come with Suzuki Assistance cover, which includes 24-hour roadside assistance, home start and recovery through the Republic of Ireland, UK and Europe. So no need to worry, because when you're with us, you're covered.

## MOTUL OIL

When it comes to recommending the oil for your Suzuki, there's really only one choice – Motul. You can find out more information here: [cars.suzuki.co.uk/owners/servicing-your-suzuki](http://cars.suzuki.co.uk/owners/servicing-your-suzuki)

## TALK TO US

Fancy a chat? Well, more specifically, a chat about anything Suzuki? The team at our Suzuki Information Service are happy to answer any questions you might have about your Suzuki. From the product range to services for drivers, they can fill you in on just about everything. Simply call 0800 804 8828 for UK residents. Alternatively, you can write to us at Suzuki GB PLC, Steinbeck Crescent, Snelshall West, Milton Keynes, Bucks MK4 4AE.

## WHAT ARE THE OPTIONS?

# FINANCE THAT FITS

Once you've found the Suzuki for you, you'll want an ideal finance package to go with it.

## 1. Personal Contract Purchase

Great for those who want flexibility: once you've chosen your repayment period, deposit and annual mileage, you'll be advised of your regular monthly repayments and optional final repayment. Once you've paid all your regular monthly repayments, you have three options – you can pay the optional final repayment to own the car, trade it in\* or return it (return conditions apply)\*\*.

## 2. Hire Purchase

Great for those wanting to own the vehicle: once you've chosen your repayment period and deposit, you'll be advised of the regular monthly repayments. Once all the repayments have been paid, you'll own the car.

## WHAT'S THE DIFFERENCE?

	HIRE PURCHASE	PERSONAL CONTRACT PURCHASE
<b>Deposit required</b>	Flexible deposit options – 0% deposit may be available, subject to status	Flexible deposit options – 0% deposit may be available, subject to status
<b>Maximum age of the car at the end of the agreement</b>	14 years old	7 years old
<b>Length of the agreement</b>	12-60 months	25-49 months
<b>What happens once you've paid all your regular monthly repayments?</b>	You're the legal owner of the car and the finance agreement has ended	You have three options to choose from: 1. Part exchange the car* 2. Pay the optional final repayment to own the car 3. Return the car (return conditions apply)**
<b>Fixed payments</b>	Yes	Yes
<b>Mileage restrictions</b>	No	Yes – you set a maximum agreed mileage. Excess mileage charges will apply if you intend to hand the car back at the end of the agreement and have exceeded the maximum agreed mileage
<b>Optional final payment at end of agreement</b>	No	Yes

## WHAT'S NEXT?

For more information or help finding the right package for you, pop into your local Dealer or visit [cars.suzuki.co.uk/suzuki-finance](http://cars.suzuki.co.uk/suzuki-finance)

\*Part Exchange: At any time, you can part exchange the car subject to obtaining a settlement figure and settling your agreement. New finance agreements are subject to status.

\*\*You have the option once you've paid all your regular monthly repayments to return the car and not pay the optional final repayment. If the car is in good condition (fair wear and tear accepted) and has not exceeded the maximum agreed mileage, you will have nothing further to pay. If the car has exceeded the maximum agreed mileage, a charge for excess mileage will apply. Credit is available to UK residents aged 18 or over, subject to status. Suzuki Finance is a trading style of Suzuki Financial Services Limited, St William House, Tresillian Terrace, Cardiff CF10 5BH. Suzuki Financial Services Limited is part of Lloyds Banking Group.

# GET IT COVERED WITH SUZUKI INSURANCE

When you buy your Suzuki, you can sign up to Free Driveaway Insurance\*. And if you're happy, you can update to annual cover. Just call **0330 018 3455** to find out more.

## Check out all the benefits you'll get with us:

- Courtesy car
- EU cover
- Windscreen damage cover
- 24/7 accident recovery
- UK call centres
- Child seat replacement cover
- Personal injury cover
- A brand-new Suzuki if yours is written-off or stolen within 12 months of its new registration
- Access to Suzuki Approved Body & Paint Centre

Unlike other insurers, we guarantee that any repairs will be carried out by Suzuki Trained Technicians using only Suzuki Genuine Parts.

To get a quote or find out more, call **0330 018 3455** or visit [cars.suzuki.co.uk/new-cars/insurance](https://cars.suzuki.co.uk/new-cars/insurance)

\*Terms and conditions apply. The offer of insurance is subject to eligibility and underwriting criteria. All cover is subject to the terms and conditions of the policy, see the Policy Document at [www.suzukicarinsurance.co.uk/docs](https://www.suzukicarinsurance.co.uk/docs). Suzuki Insurance is arranged and administered by Verex Insurance Services Ltd, which is registered in England and Wales No. 05686831 at Batchworth House, Church Street, Rickmansworth Herts WD3 1JE and authorised and regulated by the Financial Conduct Authority, No. 487185. Verex Insurance Services Ltd arranges policies from a panel of insurers, details are available on request. To understand how we may process your information read our Fair Use Notice at [www.suzukicarinsurance.co.uk/FairUseNotice](https://www.suzukicarinsurance.co.uk/FairUseNotice)
