

THE ALL-NEW
SWIFT
Sport

Way of Life!

IT WANTS TO BE **DRIVEN**

WELCOME TO THE PERFECT DRIVE

If you're looking for the car that just begs to be driven, then you'll want to meet the all-new Swift Sport. Bold and striking, it truly is a car that's built for excitement.

Get behind the wheel of the all-new Swift Sport and you'll quickly realise how fun it is to drive. The unique Boosterjet turbocharged engine ensures evolutionary hot hatch performance, and with its stand-out dynamic and stylish design, the Swift Sport is as exhilarating to look at as it is to drive. Expect the exceptional, because the all-new Swift Sport truly is a car that wants to be driven.

So what are you waiting for? It's time to drive.

BUILT FOR PERFORMANCE

With its fun and dynamic performance, the all-new Swift Sport is an electrifying driving experience.

The 1.4 Boosterjet turbocharged engine, coupled with a high torque output, ensures a beautifully responsive drive, delivering a performance that makes your heart beat a little faster. Plus the all-new Swift Sport's strong and light body provides excellent handling, acceleration and efficiency, so you can focus all your attention on the incredible driving experience.

So whether you're driving around the city or cruising through the countryside, the all-new Swift Sport gives you the freedom to drive your way.

Time to discover a driving experience like no other.

LOOKS THAT THRILL

The all-new Swift Sport is a car that excites you from the moment you set eyes on it. You'll want to drive it, and you'll want to be seen in it.

Exclusive design details give the all-new Swift Sport a distinctive style, and with a striking front grille and bumper, impressive 17" alloy wheels and carbon effect aerodynamic under spoilers, it's the ultimate style statement.

The all-new Swift Sport looks incredible, with stunning design features, like its stylish red accents and impressive sports seats, which have been designed to be supportive and comfortable. So you can be sure to enjoy the drive no matter how long your journey is.

When it comes to style and substance, the open road has met its match.

MORE TECH MORE FUN

The all-new Swift Sport comes with all the great technology you'd expect from a car this special.

A satellite navigation system will get you where you need to be at the touch of a button. The rear parking camera, Adaptive Cruise Control and our keyless entry/start system all guarantee a smoother drive. Plus, to ensure an enjoyable journey from start to finish, the DAB digital radio and smartphone linkage display lets you take control of the entertainment as you drive.

Because when you're in the all-new Swift Sport, every day feels that little bit more fun.

- 1 Satellite navigation
- 2 Smartphone linkage display
- 3 Rear parking camera
- 4 Automatic air conditioning
- 5 Adaptive Cruise Control
- 6 Keyless entry/start

DEDICATED TO SAFETY

Enjoy peace of mind with the all-new Swift Sport's array of advanced safety systems.

There are lots of ways the all-new Swift Sport helps protect you. Dual Sensor Brake Support warns you of potential collisions and applies the brakes if required to help avoid or reduce damage from a collision. Lane Departure Warning will tell you when you're straying off track, and Lane Departure Prevention gently guides you back on track, helping you drive more safely. High Beam Assist will automatically switch your headlights between low and high beam based on road conditions, and Adaptive Cruise Control will keep the right distance between you and the vehicle ahead.

Every all-new Swift Sport also comes with six airbags, a rear parking camera and Electronic Stability Programme (ESP) to help maintain traction, so you can enjoy the drive feeling protected.

Dual Sensor Brake Support (DSBS)

When moving, the new Swift Sport uses two sensors – a monocular camera and a laser sensor – to determine if there's a risk of collision with a forward vehicle or pedestrian. Upon detecting a potential collision, the car acts in any of the following three ways, depending on the situation.

1. Alerts the driver with an audio warning and visual warning.

2. Deploys brake assist to increase braking force if the risk of collision is high and the driver panic brakes.

3. Applies strong automatic braking if the risk of collision increases even more.

High Beam Assist

At 40 km/h or faster, High Beam Assist is designed to automatically switch the headlights between 'High' and 'Low', depending on the presence of other vehicles and the lighting environment (standard on vehicles with DSBS).

Adaptive Cruise Control (ACC)

When there's a vehicle in front, the Adaptive Cruise Control system uses millimetre-wave radar designed to gauge the distance between the two vehicles and automatically maintains vehicle-to-vehicle distance in line with the setting selected out of three possible settings.* When there is no vehicle in front, the system maintains the speed (from 40 km/h to 160 km/h) set by the driver.

* The vehicle-to-vehicle distance varies depending on vehicle speed.

Lane Departure Warning

At 60 km/h or faster, the Lane Departure Warning function is designed to predict the path of the vehicle and issue visual (display and indicator) and tactile (vibrating steering wheel) warnings to the driver (standard on vehicles with DSBS).

Lane Departure Prevention

During speeds of 60 km/h to 160 km/h, the lane is recognised via a monocular camera. When interpreting that lane departure is likely to occur, the car automatically assists the driver in returning the vehicle back into the lane by controlling the steering via the electric power steering system.

Weaving Alert

At 60 km/h or faster, the weaving alert is designed to calculate the driving pattern and issue audio and visual warnings if the vehicle is 'wandering' due to driver drowsiness, etc. (standard on vehicles with DSBS).

Radar Brake Support (RBS)

When moving, the all-new Swift Sport uses millimetre-wave radar to detect the vehicle in front. Upon detecting a potential collision, the car acts in any of the following four ways, depending on the situation.

1. Alerts the driver with a warning when there is the possibility of a collision.
2. Alerts the driver by applying a light brake.
3. Supports the driver's braking by increasing braking force.
4. Automatically applies the brake.**

** In cars equipped with a monocular camera and laser sensor, automatic braking is employed via DSBS.

SPACE AND COMFORT

Versatile, roomy and packed with space-finding solutions, the all-new Swift Sport is made to fit around your life.

If you're packing for an adventure or simply popping to the shop, with plenty of boot space, three cup holders, passenger storage pockets and front and rear bottle holders, the Swift Sport has you covered. Plus, wherever you're going, you're sure to get there in comfort, with generous legroom for you and your passengers.

FINANCE THAT FITS

Once you've found the Suzuki for you, you'll want an ideal finance package to go with it.

What are the options?

1. Personal Contract Purchase – Great for those who want flexibility: once you've chosen your repayment period, deposit and annual mileage, you'll be advised of your regular monthly repayments and optional final repayment. Once you've paid all your regular monthly repayments you have three options – you can pay the optional final repayment to own the car, trade it in* or return it (return conditions apply).**

2. Hire Purchase – Great for those wanting to own the vehicle: once you've chosen your repayment period and deposit, you'll be advised of the regular monthly repayments. Once all the repayments have been paid, you'll own the car.

What's the difference?

	Hire Purchase	Personal Contract Purchase
Deposit required	Flexible deposit options – 0% deposit may be available, subject to status	Flexible deposit options – 0% deposit may be available, subject to status
Maximum age of the car at the end of the agreement	14 years old	7 years old
Length of the agreement	12-60 months	25-49 months
What happens once you've paid all your regular monthly repayments?	You're the legal owner of the car and the finance agreement has ended	You have three options to choose from: 1. Part exchange the car* 2. Pay the optional final repayment to own the car 3. Return the car (return conditions apply)**
Fixed payments	Yes	Yes
Mileage restrictions	No	Yes – you set a maximum agreed mileage. Excess mileage charges will apply if you intend to hand the car back at the end of the agreement and have exceeded the maximum agreed mileage
Optional final payment at end of agreement	No	Yes

What's next?

For more information or help finding the right package for you, pop into your local Dealer or visit cars.suzuki.co.uk/suzuki-finance

*Part exchange subject to settlement of your existing finance agreement; new finance agreements are subject to status.
**You have the option once you've paid all your regular monthly repayments to return the car and not pay the optional final repayment. If the car is in good condition (fair wear and tear accepted) and has not exceeded the maximum agreed mileage, you will have nothing further to pay. If the car has exceeded the maximum agreed mileage, a charge for excess mileage will apply.

Credit is available to UK residents aged 18 or over, subject to status. Suzuki Finance is a trading style of Suzuki Financial Services Limited, St William House, Tresillian Terrace, Cardiff CF10 5BH. Suzuki Financial Services Limited is part of Lloyds Banking Group. Finance is available for Republic of Ireland residents, subject to status, and will vary from the above. The credit provider is Bank of Ireland Finance, which is a registered trading name of Bank of Ireland.

THE SUZUKI SERVICE PROMISE

At Suzuki, we aim to give you the best possible service when you visit your Suzuki Dealer. Which is why we've created the Suzuki Service Promise.

We promise that every Suzuki customer will experience superior levels of care and leave impressed by the little extras we include as standard:

- Alternative transport options
- Simple and transparent pricing
- Only pre-approved work undertaken
- Suzuki-trained technicians
- Suzuki Genuine Parts
- Progress report during the day
- Wash and vacuum with pre-booked work
- Vehicle health check on every visit
- Accident Aftercare

WARRANTY

Every Suzuki Swift Sport comes with a comprehensive three-year or 60,000-mile (UK) warranty (whichever comes first) and a 12-year anti-perforation warranty.

ROADSIDE ASSISTANCE

We're always around if you need roadside assistance. New cars come with Suzuki Assistance cover, which includes 24-hour roadside assistance, home start and recovery through the Republic of Ireland, UK and Europe.

When it comes to recommending the oil for your Suzuki, there's really only one choice – Motul. You can find out more information here: cars.suzuki.co.uk/owners/servicing-your-suzuki (UK) or cars.suzuki.ie/owners/servicing-your-suzuki (ROI).

TALK TO US

Our Suzuki Information Service could talk all day about your Suzuki. From the product range to services for drivers, they can fill you in on everything. Just get in touch on 0800 804 8828 for UK residents or 01 906 1862 for Republic of Ireland residents. Alternatively, you can write to us at Suzuki GB PLC, Steinbeck Crescent, Snelshall West, Milton Keynes, Bucks MK4 4AE.

Service Promise and Motul Oil criteria may vary in Republic of Ireland. Please refer to your local Dealer for full details.

EQUIPMENT

SAFETY

- ABS with EBD and Brake Assist function
- ESP® (Electronic Stability Program)*
- Hill hold control
- Dual Sensor Brake Support
- Lane Departure Warning
- High Beam Assist
- Tyre pressure monitoring system
- Driver and front passenger airbags
- Front passenger airbag deactivation system
- Side airbags (incorporated into front seats)
- Curtain airbags
- Front three-point ELR seatbelts with pretensioner, force limiter, head restraints (Sport integrated type) and shoulder height adjuster
- Rear three-point ELR seatbelts with pretensioners and force limiters x 2, three-point ELR seatbelt for centre seat
- Foot-protecting brake and clutch pedals
- Side impact protection beams
- High mounted stop lamp
- ISOFIX child seat anchorages x 2
- Child seat tether anchorages x 2
- Childproof rear door locks
- Tyre pressure indicator
- Emergency flat tyre repair kit

SECURITY

- Immobiliser
- Security alarm
- Remote central door locking
- Deadlocks
- Locking wheel nuts
- Freewheeling key cylinders

COMFORT & CONVENIENCE

- Adaptive Cruise Control
- Keyless entry and start
- Rear parking camera
- Engine auto stop/start system
- Driver seat height adjuster
- Electric front windows
- Electric rear windows
- Rear seat with 60:40 split folding
- Rear seat head restraint x 3
- Front accessory socket
- Front sun visors with vanity mirrors and ticket holders
- Front assist grips (passenger's side)
- Rear assist grips x 2
- Shift knob Piano Black with Chrome accent
- Remote fuel lid opener
- Foot rest (driver's side)
- Power steering
- Tilt-adjustable steering wheel
- Telescopic adjustable steering wheel
- Tachometer
- Clock
- Outside temperature display
- Fuel consumption display (average/instantaneous) and range display
- 4.2-inch colour LCD display
- Speed limiter
- Low fuel warning lamp

- Lights-on and key-in reminder
- Door ajar warning lamp
- Front map light
- Luggage area shelf and lamp
- Front and rear seatbelt reminder

HEATING & VISIBILITY
