Model shown is x-clusiv with optional
electrically retractable Fun-roof.
Front cover model shown is x-press.

The background of the advertisement is a blurred city street scene. On the left, a modern building with a textured, reddish-brown facade is visible. In the center, a tall, slender street lamp stands. On the right, a red circular sign with a white cartoon character (a smiling face with stick-figure limbs) is mounted on a pole. The character appears to be peeking over the top edge of the sign. In the background, other colorful buildings and a clear blue sky with light clouds are visible. A dark, semi-transparent banner is overlaid on the bottom left of the image, containing white text.

MANY CARS LOOK ALIKE, BUT AYGO ISN'T ONE OF THEM.

With AYGO's fresh vibrant design you can now really stand out. We've developed a bold front-x face, dramatic, yet playful lines, and a daring double-bubble roof, providing an AYGO for every personality.

Model shown is x-style.

Which one suits you?

x simply fun

x-play be creative

x-press express yourself

x-style urban style

x-cite make a statement

x-clusiv true sophistication

Model shown is x-press.

EVERY ROAD IS **FUN TO DRIVE.**

**An efficient engine doesn't just save you money.
It also means AYGO is a joy to drive everywhere.**

Good clean fun. Dynamic, agile and responsive,
AYGO feels right at home in the city.

Whether it's the manual transmission or the x-shift
automated manual, AYGO delivers low CO₂ and
impressive fuel economy of up to 68.9 mpg*,
meaning the fun lasts longer.

1.0 Petrol 5-Speed Manual

Fuel Cons*	CO ₂ *	Power
68.9 mpg	95 g/km	69 DIN hp

x-shift Automated Manual Transmission

Fuel Cons*	CO ₂ *	Power
67.3 mpg	97 g/km	69 DIN hp

* Combined cycle.

For full mpg and CO₂ emissions data please see page 42.

Mpg and CO₂ data sourced from EU tests. For more information please see the back cover.

Supplemental Restraint System (SRS)

The AYGO is fitted with up to six airbags. They include SRS airbags for both driver and front passenger, side airbags for the front seats, and SRS curtain shield airbags covering both the front and rear seat passengers.

Hill-start Assist Control (HAC)

HAC helps to ensure a smooth start on steep inclines by automatically applying the brakes for up to two seconds after the brake pedal is released. This prevents the vehicle from rolling back.

Tyre Pressure Warning System (TPWS)

The system measures air pressure by monitoring individual wheel rotation speeds as well as other exterior signals for each tyre, and will warn you if the pressure falls below the recommended level, ensuring safer driving.

Vehicle Stability Control (VSC)

VSC automatically activates each individual brake as needed and controls engine output to help maintain stability and prevent skidding when turning sharply or cornering on slippery road surfaces.

PLAY IT SAFE.

AYGO benefits from the option of Toyota Safety Sense* – the latest safety technology – including features integrated from our bigger cars. The Toyota Safety Sense pack on AYGO features two active safety technologies – Pre-Collision System and Lane Departure Alert – that make your drive safer and more enjoyable. In addition, AYGO features a broad range of integrated safety features, from multiple airbags to Vehicle Stability Control (VSC).

Pre-Collision System*

Toyota Safety Sense's Pre-Collision System uses a camera and laser to detect other vehicles in the road ahead. When the possibility of a collision is detected the driver is alerted with audio and visual warnings and brake assistance is activated. If the driver fails to brake in time the brakes automatically engage to prevent or mitigate a collision.

Lane Departure Alert*

Using a camera to detect the lane markings in the road ahead, Toyota Safety Sense's Lane Departure Alert will alert the driver with audio and visual warnings if the vehicle starts to deviate from its lane without the turn indicator being applied – the driver can then take corrective action.

All active safety technologies are intended to be back-up systems only and are not a substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

* Optional on all grades, except x, when Toyota Safety Sense pack is selected.

IT'S FUN IN HERE!

With its futuristic single pod dashboard, numerous advanced features such as the x-touch* multimedia system, and a burst of contrasting colour if you want, AYGO's interior is unlike anything else on the streets. It's fun, usable and stylish, 24/7.

* Standard on all grades excluding x and x-play.

Model shown is x-play with optional x-touch.

100% essential AYGO. Simply all the things you need: fresh, fun, daring design and outstanding features.

OPTIONS

AYGO x-nav

AYGO x-nav is the ideal upgrade if your car already has the x-touch multimedia system and you want to add navigation. What is so clever about AYGO x-nav is that it has been created from the beginning with the user in mind. Every display is designed for easy operation. Each function satisfies a need.

Full map navigation

Driver-friendly full map navigation with displays for signposts, junctions and lane guidance.

Clear guidance

Turn-by-turn vocal instructions with text-to-speech through your car's audio system.

Pan-European

Navigation coverage of 33 European countries. Instructions in 20 European languages.

Enhanced maps

Map graphics include 3D effects. When driving at night, the colour balance changes for greater visual comfort.

Turn list

Rather than having the map on screen, instead you can view a list of sequential turns with directional indicators. This makes city navigating much easier.

Route planning

You can plan your route by entering the street, postcode, town or even map co-ordinates.

Drive me home

Wherever you are, just touch the home icon for fast calculation of the quickest route.

Favourites

Favourite places and regular destinations can be stored for quick and easy route planning.

Places of interest

The system can search and notify you of places of interest along your route.

Speed limit and safety camera alerts

Drive safely with the help of a speed limit display and warning.

Alerts tell you fixed safety camera locations (in countries where it is legal).

Touchscreen control

Easy-to-use touchscreen controls include map zooming and sliding.

OUTshield PACK*

Protect your new AYGO with rear parking sensors, scuff plates, a boot liner and rubber floor mats, meaning it'll stay looking as good as new.

1. Rear parking aid system

Even in a car as easy to park as the AYGO, when space is tight, you'll find the guidance given by the Toyota parking aid system a big help in avoiding accidental scrapes. Ultrasonic sensors in the rear bumper link to an in-car warning beeper that becomes progressively more frequent the closer you get to an obstacle. Conveniently, you can switch off the beeper when it is not required.

2. Aluminium scuff plates

Style and practicality combine. Aluminium scuff plates add an extra interior design detail while also protecting door sill paintwork against scuffs and scrapes.

3. Boot liner

Made of tough flexible plastic with a non-slip surface and raised edges to protect boot carpets against dirt, sand and liquids.

4. Rubber floor mats

Extra strong to protect your car's carpets against mud, dirt and sand. The driver's mat has safety fixings to hold it firmly in place.

5. Front and rear mud flaps

Specially shaped to prevent water, mud and stone chips spraying your car. (Image not shown.)

* Available on 5-door models only.

x-play customisation

The pack colour is applied on the front-x...

... and on the x-tension...

... and the rear diffuser

Model shown with optional Gloss White alloy wheels and body-coloured centre caps.

OUTstand*

Transform the exterior of your new AYGO with the OUTstand pack. Available in a range of colours, the packs add a splash of contrasting colour to the key design areas.

Main features

- Front-x
- x-tension
- Rear diffuser

1E0	1E7	068	3P0	8R7	4W5
Electro Grey	Silver Splash	White Flash	Red Pop	Deep Blue Buzz	Orange Twist

Other colour options are available at additional cost. Please contact your local Toyota Centre for more information.

OUTburst (5-door only)*

The OUTburst pack gives contrasting colour accents to the front, rear and side of your new AYGO. Available in both Red Pop and Silver Splash, it's sure to turn heads.

Main features

- Front bumper decal
- Rear diffuser decal
- Side sills

Accentuate AYGO's features with this bumper highlight

3P0
Red Pop

1E7
Silver Splash

Continue the Red Pop theme onto the rear diffuser...

... and the side sills

Model shown with optional alloy wheels and optional red roof decal.

Model shown is **x-play** in Red Pop.

INspire*

Transform the interior of your AYGO. The INspire pack combines body-coloured accents in the air vent and gear shift surrounds with a Gloss Black centre console and instrument panel.

Main features

- Body-coloured air vent surround
- Body-coloured gear shift surround
- Gloss Black instrument panel and centre console

INTense*

The INTense pack transforms the interior with body-coloured panels throughout, complemented by Gloss Black air vent surrounds.

Main features

- Body-coloured instrument panel
- Body-coloured centre console
- Body-coloured gear shift surround
- Gloss Black air vent surrounds

Image shown is not to UK specification and is used for illustrative purposes only. Model shown is **x-play** in Red Pop with optional x-touch multimedia system and optional x-nav system.

* Only available on **x-play** grade.

Optional **WHEELS**

Wheel centre caps or cap rings

Depending on which style of wheels you have, you can add colour-matched accessory centre caps or cap rings:

1. Cyan Splash
2. Orange Twist
3. Bold Black
4. White Flash
5. Deep Blue Buzz
6. Silver Splash
7. Red Pop

Small centre cap

Centre cap ring

PROTECTION

Driving the AYGO adds to the fun of modern living. Toyota accessories enhance practicality by providing an extra layer of protection inside and out to guard against accidental scrapes and keep your car looking in top condition.

1.

2.

1. & 2. Side mouldings*

The stylish way to protect against minor side panel damage. Available in black or painted to match your car.

3. Mud flaps

Specially shaped to prevent water, mud and stone chips spraying your car. Available for the front and rear.

4. & 5. Bumper corner protectors

Ideally positioned on the front and rear bumper corners to guard against accidental scrapes. Available in black.

6. Boot liner

Made of tough flexible plastic with a non-slip surface and raised edges to protect boot carpets against dirt, sand and liquids.

* Available on all grades excluding **x-press** or when optional OUTburst pack has been ordered.

3.

4.

Image shown with optional 10-spoke alloys.

5.

Image shown with optional 10-spoke alloys.

6.

Textile floor mats

Anthracite-coloured textile floor mats with a choice of different colour overlock threads. Featuring non-slip safety fixings on the driver's mat.

1. Black
2. White
3. Dark blue
4. Dark grey
5. Red
6. Silver
7. Cyan
8. Yellow (standard on x-cite)

9. Anthracite (standard on all but x-cite)

Hard-wearing textile floor mats in a smart anthracite colour. The driver's mat has special safety fixings to hold it firmly in place.

10. Rubber floor mats

Extra strong to protect your car's carpets against mud, dirt and sand. The driver's mat has safety fixings to hold it firmly in place.

THIS IS JUST THE BEGINNING. BUILD YOUR AYGO ONLINE!

Visit our online configurator to learn more about AYGO's exciting features and benefits, and have fun building your own car exactly how you want it.

OWNING YOUR AYGO

Servicing your Toyota

Toyota Fixed Price Servicing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/service

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/service

Toyota Fixed Price Repairs using Genuine Parts

We offer fixed prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your car will always be dealt with by a trained Toyota Technician.

For more information visit toyota.co.uk/repairs

My Toyota

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **My Toyota**. Packed with time-saving and convenient features, **My Toyota** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the **My Toyota** Europe app* now available on iTunes® and Android.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability. To add to the reassurance, every genuine Toyota accessory has a 5-year warranty when purchased together with the vehicle.

For more information visit toyota.co.uk/accessories

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge. After the first year the cost of Toyota Roadside Assistance is £7 per month if paid by monthly Direct Debit, £72 per annum if paid by annual Direct Debit, and £76 per annum when paid by all other payment methods.[§]

For full terms and conditions please visit toyota.co.uk/roadsideterms

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (whichever comes first) manufacturer's warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/5yearwarranty

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

* Features on desktop and app vary.

§ Prices correct at time of going to print.

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 30,000 miles or 24 months whichever comes first.

The Toyota Extended Warranty can be renewed until the vehicle is 12 years old with less than 100,000 miles as point of sale, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

For more information visit toyota.co.uk/extendedwarranty

Quoted mpg & CO₂ figures: All mpg and CO₂ emissions figures quoted in this brochure are sourced from official EU-regulated test results. These are provided for comparability purposes only and may not reflect your actual driving experience. Fuel consumption varies significantly depending on a number of factors, including driving style, conditions, speed and vehicle weight. In order to allow consumers to compare and make an informed choice between one vehicle and another, there is a European Commission standard (93/116/EC and 692/2008) to measure fuel consumption. This common standard must be adhered to by all manufacturers selling motor vehicles in the EU and is the basis for fuel consumption figures published by each manufacturer. For further information please visit www.dft.gov.uk/vca/fcb/faqs-fuel-consumption.asp or speak to your local Toyota Centre.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
